

# recycle-more schools activities

7-11

name that symbol

Listed below are a number of common recycling symbols which you might see on everyday items of packaging. See if you can identify each of them.

If you get stuck you can get some help on the recycle-more website!

	
	
	
	
	
	
	
	
	

Teacher's Information: This activity may be linked with Geography KS2.
