

Sort it out!

Set up information:

The story requires **Adobe PDF** to open

Please **download** and **save** the link to your computer

Do not run the file from the web viewer as it will not work correctly

Page layout must be set to **single page view**

Please note there is an **embedded video on p41**. If this fails to play, please update your adobe settings to 'play media files'.

How to do this:

Access the **Edit Menu** (top left of your page)

Go to the **Preferences** menu choice
(You may need to go to menu choice Multimedia & 3D... if your machine doesn't have this menu option please continue to the next instruction)

Check the '**Enable playing of 3d and Multi-Media content**' is ticked. If it is already ticked, please untick and tick again to reset it.

The video can be run independently.
Please click here to download.
