Our environmental pledges

After a school visit, we would love it if the children could make environmental pledges based on what they have learnt. The next page contains a space for a drawing and a prompt for their environmental pledges.

Examples include:

"I pledge to recycle everything I can."

"I pledge to not litter when out."

"I pledge to turn the TV off when I'm not watching it."

"I pledge to plant some flowers."

My environmental pledge

I pledge to:
